Adam Overton

.

seeing through oneself
observing that which observes

.

i have you to thank

.

i made you who you are [today]

.

you made me who i am [today]

.

i must remind myself that you are not everyone i have ever known

.

my head, so loud it's silent [sometimes]

.

[trying to be more] naked, even when clothed [sometimes]

.

you have no idea what lies behind this WORD
(nor do i)

.

keep your desires,
but dispose of your expectations

.

"alright everybody, I want the girls on the left, and boys on the right!"

.
